LOCAL LAW

Application For a Permit To Film

Section 1

Conditions

Depending on the size of the activity and the impact on traffic a Traffic Management Plan (TMP) may be required to be submitted including in some residential side streets. All requests for a permit to film other than in a residential side street will require a TMP.

Evidence that the Victorian Police have been notified is required.

Information regarding the size and number of vehicles needed to be parked at the location is required.

Parking restrictions are to be considered

All street, park and local activity must be taken into consideration. Eg: garbage collection, business, sport etc.

Residents within the affected area must be given a minimum of 24 hours notice.

A copy of your 20 million dollars (min) public liability policy, with Council's interest noted on the policy must be submitted.

A permit for a maximum period of two days only may be issued. *This may vary depending on the location.*

A minimum of two weeks notice must be given to Council
