"Empowering People with Disabilities through High Quality Employment"

Waverley Industries Catering and Hospitality

Three years ago Waverley Industries began its hospitality and catering business; the business has been growing successfully and has developed a solid reputation in the market place as offering quality food at competitive prices. The catering service employs 3 chefs and 6 employees with disabilities under 5 star Chef Mr Eric Roulston. The company's vision is to expand its catering business to create further employment opportunities for people with disabilities in our community.

Recently Waverley Industries launched a \$300K commercial kitchen redevelopment from the generous support of corporate and community donations and sponsorship. This expansion and refurbishment to the existing 26 year old kitchen included the expansion and renovation to the commercial kitchen, additional commercial and catering equipment, new amenities and major renovation to the existing employee's dining room.

The facility now has the capacity for growth to its already large and established customer base within the Melbourne metropolitan area, providing organisations tasty, fresh and competitively priced food, delivered to their doorstep. We cater for corporate lunches, business breakfasts, cocktails parties, etc. We are also equipped and experienced in catering for large functions, including Christmas parties, special occasions and events.

As well as offering a delivery service, our new dining facility at Notting Hill is an ideal place for meetings, conferences and social occasions for 25 to 80 people for corporate and community groups . The facility will offer a gourmet dining experience with buffet and cocktail options. Breakfast, lunch and dinner available.

Testimonial

'Following partaking in the excellent food at the "Day of Champions" and obtaining some catering price lists etc., Danfoss decided to utilise Waverley Industry for a week of luncheons and morning/afternoon teas at our Hallam office. The Management and staff of Danfoss would like to thank everyone involved with the preparation and delivery for the excellent catering....even though I think our "orderer" was a bit too enthusiastic with the numbers being catered! Everyone enjoyed the food tremendously plus gained at least 2 KG over the week. Please be assured that Danfoss will be utilising Waverley's catering services in the future. Again, congratulations and thanks very much.

Robert Sherry
Director, Global Services - Operations/Pacific
Danfoss (Australia) Pty Ltd

For all catering enquiries including Christmas bookings contact Eric Roulston or Kerry Payne- 'WI Catering' We look forward to hearing from you.....
