

# WOMEN BUILDING BRIDGES

## Linking women together

- As a woman, do you want to be in the centre of building community harmony?
- Do you want to be in a team that will form, connect and strengthen women's networks?
- Do you support women in community leadership roles?

If you say yes, then this is for you.

“Women Building Bridges” is a pilot community development project of the Victorian Immigrant and Refugee Women's Coalition (VIRWC). We are looking for volunteers who will conduct community education, leadership training and partnership initiatives by engaging with local councils, women's groups, neighbourhood houses and local mainstream clubs.

If you have the passion to participate in this project, please contact us at the VIRWC office:

**Queen Victoria Women's Centre Level 1, 210 Lonsdale Street, Melbourne VIC 3000**

**Phone: 9654 1243 or visit us [www.virwc.org.au](http://www.virwc.org.au)**
