The Heart of Our Community™

I ♥ KNH because...

the classes are excellent, especially the French class & tutor. Facilities are great & I've made many friends through the house. Great friendly staff too!

I ♥ KNH because...

you are greeted at the door by staff who know your name. Our instructor, who is amazing, leads a great strength class. It is such a happy atmosphere here.

I ♥ KNH because...

of the beautiful staff as well as the fabulous yoga and pilates instructors (and other participants). Keep up the good work!

I ♥ KNH because...

it gives me an opportunity to mix with others in the community. I get to learn from other people, enjoy their company and contribute to the community

I ♥ KNH because...

of the people who work there who are so friendly. I love my art classes and the wonderful tutor. It's such a friendly group and so enjoyable each week.
