

## 7.2.2 2023/24 MONASH QUICK RESPONSE GRANTS PROGRAM RECIPIENTS - OCTOBER

<b>Responsible Manager:</b>	Kerryn Jansons, Acting Manager Community Strengthening
<b>Responsible Director:</b>	Tony Oulton, Acting Director Community Services

### RECOMMENDATION

**That Council notes the successful applications that have been funded through the Quick Response Grant program during the period 23 August to 14 September 2023 to a total of \$3,794.91.**

### INTRODUCTION

The purpose of this report is to advise Council of successful applications to the Quick Response Grant program (QRG).

### COUNCIL PLAN STRATEGIC OBJECTIVES

#### **Inclusive Services**

Community development and advocacy to support the Monash community.  
Deliver high performing services.  
Fostering an equitable, just and inclusive Monash.

#### **Good Governance**

Ensure a financially, socially and environmentally sustainable organisation.

### BACKGROUND

Monash Council has one of the largest community grant programs in Victoria and is proud of its commitment in supporting and valuing the dedicated community groups and organisations within our municipality.

At its meeting in June 2020 Council endorsed the establishment of a Quick Response Grant program (QRG). The basis for this grant program was to enable the Monash community and Council to remain adaptive and agile in response to COVID and ensure that groups could continue to meet and bring the community together. This program was proven to be extremely successful.

Council, at its meeting in May 2021, endorsed the QRG as a permanent open grant program, utilising the allocated funds each year.

The continuation of the Quick Response Grant Program has enabled Council to continue to support the local community groups and artists to remain agile and innovative.

As per the Guidelines that were endorsed at Council on 30 May 2023 the process is as follows:

- Applications will be submitted via SmartyGrants from 1 June 2023 until 10 May 2024, or until the allocation has been exhausted.
- Applications will be assessed by an internal Council Officer Panel.
- Applicants will receive a response from Council within six weeks of the application being received.
- After receiving notification of a successful application, applicants must commence the project within four weeks and complete by 30 June 2024.
- All successful applications will be formally acknowledged at the next applicable Council meeting.

## DISCUSSION

The QRG provides an opportunity for groups or individual artists whose idea, program, or issue falls outside of the normal grant round and previously had no opportunity to apply for funding through Council. By providing this source of funding it ensures that Council is continuing to remain adaptive and agile to community needs. Community groups and artists can apply for up to \$5,000 in cash and/or in-kind hall hire, with the total budget allocation of \$115,042.

It is important to note that Quick Response Grants were developed for the community to provide innovative projects and are not to be a duplicate of an existing program, whether funded through MCGP or other avenues.

The QRG have been promoted through multiple Monash platforms, including:

- Monash Bulletin
- Monash social media – Facebook, Instagram and Twitter
- As part of a mail out to current grant recipients

The grants opened on 1 June 2023 and will remain open until 10 May 2024 or until the allocations are exhausted.

Two grants have been awarded for the period of 23 August to 14 September 2023.

The assessment criteria consists of the following:

1. Addresses an evidence-based community need or opportunity
2. Relevance to Council's Municipal Public Health and Wellbeing Plan
3. The number of Monash residents that will benefit
4. The capacity of the organisation/community/individual to undertake the project
5. Budget expenditure

An evaluation matrix was developed, taking into consideration the guidelines, to ensure the applications were considered and assessed in an equitable and transparent way. The matrix provides the assessment process with rigour and consistency.

A total of **\$3,794.91** has been awarded to two successful applications, outlined in the table below. The amount awarded was determined by the project, amount and specific items requested in the application budget.

Applicant	Project Title	Amount Awarded
Hindi Niketan	Hindi Niketan Diwali – 2023	\$1,500.00
Seniors Happy Life Club	Enhance Community Health & Cohesion	\$2,294.94
<b>TOTAL</b>		<b>\$3,794.91</b>

Both of the applications that have been funded in this period could have applied for multi-year funding through the Community Grants Program, however, did not submit an application for the 2023/24 funding year. In addition, both are previous recipients of funding from Council for these activities. They have been recommended to apply for the 2024/25 MCGP to support their activities in the future, and advised funding through the QRG for their programs is limited to one year only.

Details of the projects as provided by the applicants are as follows:

*Hindi Niketan (2324QRG041) - \$1,500.00*

The celebration will start at 2.00pm on 18/11/2023. The function will have a multicultural program that includes classical and traditional dances, songs, recital of poems, and speeches by community leaders. The program will conclude with dinner at around 8.00pm on the same day. This celebration will create opportunities for inter-cultural interaction and cultural exchanges which will promote social harmony. Community leaders will also talk about various social issues such as drug and alcohol abuse, crime prevention, positive ageing etc. This event will be promoted through advertisement on electronic and print and social media. This celebration represents huge value for money since it will promote social harmony in multicultural Australian society and will help promote awareness about various important social issues.

We have been hosting this event for over 20 years at the same venue in Monash.

*Senior Happy Life Club (2324QRG047) – \$2,294.91*

Our project aims to enhance the community Cohesion and improve Community residents' health by organising various social connection activities weekly and regularly including dancing classes, social ballroom dancing party, travelling, singing, etc. Meanwhile, we will hold big events and invite other associations to join us. Or we will take our club activities participants to join other events organized by other associations. In this way we help local residents to build better connections with other people.

This new year, we plan to help more than 100 people in Monash city to build a good community connections.

**FINANCIAL IMPLICATIONS**

The Quick Response Grants program is funded from the existing 2023/24 Monash Community Grants Program budget.

The Quick Response Grant program has an allocation of \$115,042, of which \$3,794.91 has been allocated in this period with a remaining budget for the program of \$77,633.63.

## **POLICY IMPLICATIONS**

The Monash Quick Response Grants program is a subset of the Monash Community Grants Program Policy that has been implemented with the intention of supporting the Council Plan as well as Council's Health and Wellbeing Plan and other relevant strategic documents. The Program encourages community connectivity and participation, as well as focusing Council's support on community groups most in need. The MCGP Policy is reviewed annually to ensure that it meets the changing needs of both Council and the community.

## **CONSULTATION**

Community consultation was not required.

## **SOCIAL IMPLICATIONS**

The Monash community sector has a rich history of innovation and promoting community participation. The QRG program enables Council to be adaptive to the community's needs and for many community groups to respond effectively and innovatively for their members and local community.

## **HUMAN RIGHTS CONSIDERATIONS**

The 2023/24 Quick Response Grants Program is entirely consistent with the Charter of Human Rights and Responsibilities Act 2006. In particular, the program supports -

- freedom of expression;
- peaceful assembly and freedom of association;
- taking part in public life; and
- cultural rights

## **GENDER IMPACT ASSESSMENT**

The QRG is a subset of the Monash Community Grants Program (MCGP). As these programs are both focussed on having a direct and significant impact on the Monash community, a gender impact assessment (GIA) was undertaken in April 2023. This was included in the MCGP Allocations Report that was tabled at the May 2023 Council meeting.

As per the previous GIA we are continuing to collect data on how projects address gender inequality, how inclusive/accessible they are and the anticipated reach of the projects by gender.

## **CONCLUSION**

The Quick Response Grants successful recipients for the period 23 August to 14 September 2023 are presented to Council within the available budget.
