### BACKGROUND

Monash Council has one of the largest community grant programs in Victoria and is proud of its commitment in supporting and valuing the dedicated community groups and organisations within our municipality.

At its meeting in June 2020 Council endorsed the establishment of a Quick Response Grant program (QRG). The basis for this grant program was to enable the Monash community and Council to remain adaptive and agile in response to COVID and ensure that groups could continue to meet and bring the community together. This program proved to be extremely successful.

Council, at its meeting in May 2021, endorsed the QRG as a permanent open grant program, utilising the allocated funds each year.

The continuation of the Quick Response Grant Program has enabled Council to continue to support the local community groups and artists to remain agile and innovative.

As per the Guidelines that were endorsed at Council on 30 May 2023 the process is as follows:

- Applications will be submitted via SmartyGrants from 1 June 2023 until 10 May 2024, or until the allocation has been exhausted.
- Applications will be assessed by an internal Council Officer Panel.

- Applicants will receive a response from Council within six weeks of the application being received.
- After receiving notification of a successful application, applicants must commence the project within four weeks and complete by 30 June 2024.
- All successful applications will be formally acknowledged at the next applicable Council meeting.

## DISCUSSION

The QRG provides an opportunity for groups or individual artists whose idea, program, or issue falls outside of the normal grant round and previously had no opportunity to apply for funding through Council. By providing this source of funding it ensures that Council is continuing to remain adaptive and agile to community needs. Community groups and artists can apply for up to \$5,000 in cash and/or in-kind hall hire, with the total budget allocation of \$115,042.

It is important to note that Quick Response Grants were developed for the community to provide innovative projects and are not to be a duplicate of an existing program, whether funded through MCGP or other avenues.

The QRG have been promoted through multiple Monash platforms, including:

- Monash Bulletin
- Monash social media – Facebook, Instagram and Twitter
- As part of a mail out to current grant recipients

The grants opened on 1 June 2023 and will remain open until 10 May 2024 or until the allocations are exhausted.

One grant has been awarded for the period of 24 April to 15 May 2024.

The assessment criteria consists of the following:

1. Addresses an evidence-based community need or opportunity
2. Relevance to Council's Municipal Public Health and Wellbeing Plan
3. The number of Monash residents that will benefit
4. The capacity of the organisation/community/individual to undertake the project
5. Budget expenditure

An evaluation matrix was developed, taking into consideration the guidelines, to ensure the applications were considered and assessed in an equitable and transparent way. The matrix provides the assessment process with rigour and consistency.

A total of **\$2,360.00** has been awarded to one successful application, outlined in the table below. The amount awarded was determined by the project, amount and specific items requested in the application budget.

This year The Notting Hill Neighbourhood House will be hosting a Pride Party (22 June), in Celebration of Pride Month in June.

This will be first time we are running a pride party at the Notting Hill Neighbourhood House, and we hope to provide a safe, accessible and welcoming space for our local LGBTQIA+ community, in the Monash LGA and beyond.

This event aligns with the strategic themes of Community Engagement and Lifelong Learning at Notting Hill Neighbourhood House (NHNH). We have collaborated with our local LGBTQIA+ community to organize and shape this celebration, fostering a deep sense of ownership and belonging within NHNH and the broader community.

### **FINANCIAL IMPLICATIONS**

The Quick Response Grants program is funded from the existing 2023/24 Monash Community Grants Program budget.

The Quick Response Grant program had an allocation of \$115,042, of which \$2,360.00 was allocated in this period.

A total of \$77,079.50 was awarded to 30 projects through this program for the 2023/24 funding year.

### **POLICY IMPLICATIONS**

The Monash Quick Response Grants program is a subset of the Monash Community Grants Program Policy that has been implemented with the intention of supporting the Council Plan as well as Council’s Health and Wellbeing Plan and other relevant strategic documents.

The Program encourages community connectivity and participation, as well as focusing Council’s support on community groups most in need. The MCGP Policy is reviewed annually to ensure that it meets the changing needs of both Council and the community.

## **CONSULTATION**

Community consultation was not required.

## **SOCIAL IMPLICATIONS**

The Monash community sector has a rich history of innovation and promoting community participation. The QRG program enables Council to be adaptive to the community's needs and for many community groups to respond effectively and innovatively for their members and local community.

## **HUMAN RIGHTS CONSIDERATIONS**

The 2023/24 Quick Response Grants Program is entirely consistent with the Charter of Human Rights and Responsibilities Act 2006. In particular, the program supports -

- freedom of expression;
- peaceful assembly and freedom of association;
- taking part in public life; and
- cultural rights

## **GENDER IMPACT ASSESSMENT**

The QRG is a subset of the Monash Community Grants Program (MCGP). As these programs are both focused on having a direct and significant impact on the Monash community, a gender impact assessment (GIA) was undertaken in April 2023. This was included in the MCGP Allocations Report that was tabled at the May 2023 Council meeting.

As per the previous GIA we are continuing to collect data on how projects address gender inequality, how inclusive/accessible they are and the anticipated reach of the projects by gender.

## **CONCLUSION**

The Quick Response Grants successful recipient for the period 24 April to 15 May 2024 is presented to Council within the available budget.
