21	41 Gwingana Crescent	Vacant Site	New tree to be planted
22	53 Larkspur Circuit	Vacant Site	New tree to be planted
23	53 Larkspur Circuit	Vacant Site	New tree to be planted

# Street Overview

The map below details the removals, replacements and infill plantings. All other trees have been assessed as having more than two years useful life and will be retained.

## Street Overview Legend

-  Tree to be Removed and Replaced
-  New Tree
-  Tree Removed with No Replacement

## Tree Species

Council's Street Tree Strategy team has chosen an appropriate species for the location.

### *Tristaniopsis laurina* 'Luscious' (Luscious Kanooka)

An Australian native. Leaves are dark green, shiny and large. New growth starts in a distinctive copper colour and further interest appears over time with the branches developing deep purple coloured bark which peels back to reveal a smooth, cream trunk. Flowers are yellow and sweetly perfumed, appearing in clusters through summer.

#### Mature Size

**Height x Width (m):** 8m x 4m

**Form:** Oval
