

# My Special Person

My special person is my grandma. Her name is Sarojini. She lives in India.

When I am in Melbourne, I call her on the phone. I show her my homework and drawing.

When I travel to India, I read books with her and she helps me with my homework. She cooks delicious Indian food. I wear traditional clothes, my grandma likes traditional clothes too. Even though we live in different countries, my grandma is my special person.
