

## Recipe For Good Times With Your Grandparents

- 1) 1 cup of comfortness 
  - 2) 1 teaspoon of care 
  - 3) 2 tablespoons of humour 
  - 4) 3 cups of empathy 
  - 5) 8 buckets of love 
  - 6) 1 bucket of kindness 
- 7) Stir all ingredients together in a bowl and let it sit for 2 minutes. Then drink half a glass of the mixture and you are bound to have lots of happy memories and good times. (Especially when baking in the kitchen like I do with my Grandparents).
