

Parking Changes in Glen Waverley

June 2023

Dear Resident/Owner,

Monash Council will soon begin the extension of the multi-level carpark in Bogong Avenue, Glen Waverley to add four additional floors and provide more than 500 additional car parking spaces.

The existing car park will be unavailable during construction, which is expected to start late July and be completed by early 2025. During this time, we will be making changes to on-street parking restrictions in the surrounding streets to accommodate people who visit and work in Glen Waverley. We will start changing parking restrictions in these streets in early July in anticipation of the closing of the carpark.

Residents and visitors will be able to park in the new parking restriction areas, with residential parking permits required to be displayed if you plan to stay longer than the allowed time.

What we are changing

A map of the changes to the parking arrangements in your area is included with this letter to help you understand the parking options around your property. The main change is the provision of a new **2P, 8am-8pm, Authorised Vehicles Excepted** restriction, with some existing restrictions also being updated to **2P, 8am-8pm**. Authorised vehicles that will be allowed to park in these areas for longer than the restrictions allow, are those belonging to workers within the Activity Centre and displaying a valid permit. Once implemented, our team will monitor this change and, if necessary, extend or modify the parking controls.

How to obtain a Residential Parking Permit

Council's Residential Parking Permit Scheme generally allows single dwelling sites to have up to three (3) permits. The scheme also allows one (1) permit each for 2 – 4 dwelling sites, the older 5 dwelling sites (pre-1995) and 5 – 6 dwellings across a two-house site. The permits are not restricted to an individual car.

Permits are issued free of charge through our Business Support Team – Community Amenity (phone: 9518 3094 or email: locallaws.admin@monash.vic.gov.au). For full details and a permit application form, please refer to www.monash.vic.gov.au/parking

Need to find out more?
