

# Freedom of Information Request

## *Application Form*

Please email the completed form to [FOIandPrivacy@monash.vic.gov.au](mailto:FOIandPrivacy@monash.vic.gov.au) or mail to Freedom of Information Officer, Monash Council, PO Box 1 Glen Waverley VIC 3150.

## Before you start

Please read through the below information before you submit your application. Doing so may help you to avoid paying the non-refundable application fee for documents that may:

- already be available online; or
- is available through another process; or
- is not available due to a legislative reason.

## Refusal

Not all documents are automatically made available in response to a request. The *Freedom of Information Act 1982* (the Act) sets out several reasons for an agency to refuse access to a document.

Council can refuse access to or parts of documents under Part IV of the Act including:

- law enforcement information
- information protected by legal professional privilege
- information about the personal affairs of another individual
- confidential commercial information (of businesses or Council)
- information provided in confidence
- documents covered by secrecy provisions in other legislation
- if disclosure would conflict with public interest.

## Alternative access to documents

To avoid paying the non-refundable application fee, please make sure the documents you are seeking are not available another way.

Did you know:

- Council may have other processes in place to seek access to documents.
- Where there is another process to access documents for a fee, you cannot seek the documents through the FOI Act.

## Clear requests

To help us to process your request, it needs to be clear enough for us to know the documents you want. Information that helps us includes:

A date range	Providing a clear range for your search (i.e. months rather than years, days where possible) is key.
A specific location	Maps highlighting specific locations can be helpful for officers when assessing documents. Providing street addresses, building names, or other identifiers will also help with your application.
Types of documents	Requesting 'all documents' is not enough. The FOI Officer needs to know what type of documents. If you need support to identify what documents you need, please contact <a href="mailto:FOIandPrivacy@monash.vic.gov.au">FOIandPrivacy@monash.vic.gov.au</a> .
